To Date a Man, You Must Understand a Man: The Keys to Catch a Great Guy

Finally, The JEWEL and the companion book to compliment all of my books! This dating advice for women book gives you the blueprint to the male mind so YOU can get what you want from a man and NOT the other way around.

Where is the manual to teach women how to deal with men? Where is the dating book to communicate with a man and get one's desires met? And where is the course instructing women on how to keep a man in love with them?

Right Here! Don't Believe? Read My Reviews!

Guys get away with tons of stuff and YOU allow them to. This book will strip a man of his power and render him helpless UNTIL you have gained what you desire through his actions. And then and ONLY then will we "power him up" again.

Hi I'm Gregg. I'm a top dating coach out of Boston and this is what I am offering you:

Buy this book and there is a good chance you can talk privately with me

How many Authors offer you this?

Everyone's story is unique. You are unique. Men are unique. But your situation is not. I have seen it and FIXED it a thousand times. So if we can talk in COMBINATION with this dating book - we can improve your situation.

This is what I do: I take as many emails as I can during my week. So it's possible I can talk with you directly. But please, don't beat me up if I can't get to you or I arrive too late. My email is at the back of this book. I enjoy working with my readers and my reviews prove this.

This book is your core read to understand how we think, my other top dating books are your tools and I am your confidence builder.

In Section 1 We Learn His Blueprint:

1. The conveyer belt to manhood (The influences of our upbringing)
2. How we love in different ways and how these ways affect YOU
3. How men determine a keeper
4. The 3 things men require (they are not what you think)
5. The 5 mistakes women ALWAYS make and don't realize it (this alone will change your life)

Doesn't it drive you nuts how a man will show his soft underbelly to his male friends? He won't show you crap when it comes to his emotions but he spills his feelings to his buds. This is the CONTEMPT that ALL men hold over women. I will teach you "Man Mode" to counter this contempt. Man mode is HOW you communicate to a man just like his friends do. It's simple, MAGICAL, and he won't even know you are doing it!

In Section 2 We Learn Your New Playbook:

1. How and why you need to control your emotions
2. Man Mode
3. How to become a higher woman of value (experiences-the more the better)
4. Baggage handling (both his and yours)
5. My formula for attraction (complete this first, then find a guy)
6. Confidence building MY WAY (You have never heard of this trick!)
7. Some men are just a-holes and should be DUMPED
8. Power dating and why you need to do this
9. Is he the one? And the plan to test his ass (this is fun)

Ladies, DO NOT PASS UP THIS BOOK! Hit the **buy right now** button in the upper right and let's get to work.

Read the sequel to this book! *Manimals! Understanding Different Types of Men and How to Date Them* just went live. It's powerful, funny and interactive.
